

Approach to Special Need Children in Primary Care

25 November 2026

7:00 PM

Online Platform (ZOOM)

OUR SPEAKERS

DR JOHNNY CHAN JUINN SHING

Family Medicine Specialist,
Klinik Kesihatan Lubok Antu, Sarawak

DR CHIN SIANG LEON

Orthopaedic Surgeon,
Hospital Sri Aman, Sarawak

LEARNING OUTCOMES

Clinical Assessment:

Develop a practical approach to managing special need children in primary care.

Evidence-Based Management:

Understand the evidence-based pharmacology and non-pharmacology management of special need children in primary care

Referral Pathways:

Identify "red flag" features and clinical situations that warrant referral to tertiary hospital
